

## **ELECTRICAL STATE LICENSING**

As of January 1, 2009 all electrical contractors will need to be licensed with the State of Iowa to perform any electrical work within the City limits, state electrical license will need to be shown to the City electrical inspector prior to acceptance of work. Contractors can find more information at <http://lowaelectrical.gov> regarding state licensing. Due to this change the City of Algona can no longer sponsor applicants to take the state electrical exam.
